Professional Summary:

Java Developer with strong expertise in building secure, scalable, and high-performance applications using Java, Spring Boot, Spring MVC, and MySQL. Skilled in REST-ful API development and Agile methodology with experience in designing responsive web applications. 2 years hand-on experience in Java development

Technical Skills:

- **Languages:** Java, SQL.
- **Frameworks / Libraries:** Spring Framework, Spring Boot, Bootstrap,
- **Databases:** SQL Server, MySQL, PostgreSQL
- **Developer Tools:** VS Code, IntelliJ IDEA, Eclipse IDE, Git, Spring Initializer, Postman
- **Web/Operating System:** Windows/Linux

Technical Proficiencies: Object-Oriented Programming, Database Management System.

Education:

- **Master of Computer Application (MCA)** June 2025
Dr. DY Patil Technical Campus, Pune | CGPA: 7.70
 - **Bachelor of Computer Science (BSc CS)** June 2023
The New College, Kolhapur | Percentage: 79%
-

Academic projects:

1. Ecommerce Website:

Technology: Java, Spring Boot, Spring MVC, MySQL

- Tested APIs with Postman and deployed them in a scalable architecture.
- Enabled secure order processing with session-based authentication and reduced cart update latency by **40%**

2. Banking Management System

Technology: Java, Spring Boot, MySQL

- Handled **100+ simulated transactions**, validating business rules and ensuring **zero data inconsistency** During operations.
 - Ensured secure and efficient transaction management using Java, Spring Boot, and Hibernate. Enhanced user experience with intuitive interfaces and reliable backend processes.
-

Internship / Experience:

Java Development Intern - Comperv Consultants Pvt Ltd. Kolhapur

- Worked on real-time Java projects, focusing on backend development using Spring Boot, SQL.
 - Optimized REST API performance, reducing response time by **25%** through improved query handling and caching techniques.
 - Created and optimized **20+ SQL queries**, improving database efficiency and reducing query execution time by **30%**
-

Certifications:

- UDEMY certification in Java, Spring Boot and SQL with MySQL
- Certification in Database Management - Disha Computer Institute
